

How You Can Help

Since its inception in 2004, Students Without Mothers has provided 48 students with four year scholarships in the amount of \$4,000 each. The students receive support in annual disbursements of \$1,000. There are many more students in need of support but our funds are limited. Please help by making a one-time donation, becoming a Quarterly Donor, an Event Sponsor or a Corporate Sponsor. For more information please visit our website www.StudentsWithoutMothers.org or contact Mary Torrence by email at torrence@StudentsWithoutMothers.org.

About Students Without Mothers

Students Without Mothers is a non-profit organization dedicated to helping high school students without mothers help themselves by empowering them to continue their education. The organization's main purpose is to provide scholarships for college bound high school seniors who are without their mothers due to death or other unfortunate circumstances.

Students Without Mothers provides both advocacy and support to help its students to consistently make the best choices in a constantly changing world.

STUDENTS WITHOUT MOTHERS NEEDS YOUR SUPPORT

The SWM scholarship helped make my first year of college run smoothly. In addition to the financial support, the support and communication from the organization throughout the year was very helpful and made my transition into college much easier.

I would like to thank Students Without Mothers. Prior to receiving the scholarship I didn't think I could go to college. Now I have an accounting degree and a brighter future and I'm setting a good example for my younger brother.

I would like to thank Students Without Mothers and its donors who dedicate their time and money to render students like myself the opportunity to go to college. I appreciate my Life Coach who showed me how to listen to my intuition and choose my own path.
